

**Founding Member: "That Darn Casablanca Cult"**

## BONUS PACK EFFECTS

This free package contains the following:

### TRANSITION EFFECTS:

- ?? **Hypnosis** - Non-3d (fast rendering) ripple transition.
- ?? **Vortex** - a flowing curve transition that doubles back on itself. Very smooth.

### IP EFFECTS:

- ?? **Dots** - Video image is broken up into a series of dots, squares, or triangles in color or black and white.

### FONTS:

- ?? **Calen** - Rounded Script font
- ?? **Close** - Bubble font with a small serif
- ?? **Daja** - Pointy italic script font
- ?? **Ebony** - Thin sans serif font
- ?? **Holly** - Rounded block letter font
- ?? **Jackie** - Futuristic computer font

To install, start up the Avio-Kron-Prestige and go to the Systems Settings screen and select "Install Product". Insert the SmartMedia card and select "Bonus Pack" then "License" and enter the Bonus Pack unlock code for your Avio-Kron-Prestige and select OK. That's all there is.
