

Casablanca EXPERT

Casablanca Tutorial DVDs

Casablanca Foolproof Volume #1

What's Covered

- Proper setup of your Casablanca
- How to use every menu in the new Casablanca Operating System
- Clever tips to help maximize your editing efficiency
- Clear demonstrations of the newer features in the new Casablanca OS
- Insider and background information on the Casablanca system
- Suggestions to keep your Casablanca system running smoothly.

This is the most thorough Casablanca video tutorial ever produced - with six-plus hours of instruction on the latest Casablanca Operating System.

This brand new 3-disk set covers the entire latest Operating System* for the Casablanca, pointing out not only the new features in Smart Edit 8/Bogart 2, but also tips for both the new user & veteran alike.

You can view this DVD near your editor to maximize all the options in the new Operating System. Casablanca Expert Chet Davis' familiarity with the software coupled with his expert teaching style makes this tutorial a very helpful resource.

Casablanca Foolproof #1 Three-disk set \$49.00
