## 85 Mbps Wall-Plugged Ethernet Switch

- *Help is there when you need it! NETGEAR provides 24x7 technical support\* in English, with selected local language support during office hours.*

### Turn Any Electrical Outlet into a Home Network Connection

The XE104 85 Mbps Wall-Plugged Ethernet Switch delivers everything you need to extend the Internet to any room in your home without having to run new wires. Simply plug one XE104 into your router and another XE104 (up to 4 can be used) to any Ethernet-ready devices including a PC, a gaming console, Netgear's SC101 Storage Central, a Slingbox™ a DVR or Netgear's PS121 USB Print Server.

And, the XE104's attractive white casing blends easily into any home decor without consuming floor or desk space.

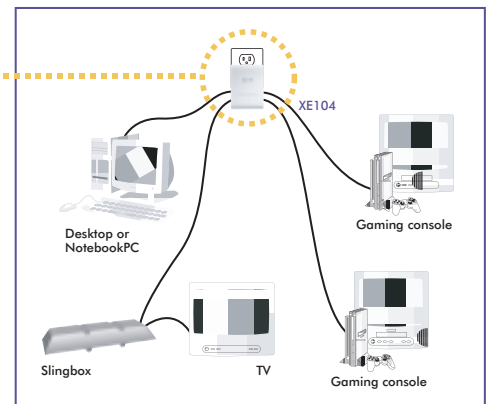

Never have to worry about a signal being lost among household interferences again. The fast 85 Mbps speed can transmit multiple video streams at once and without interruption.

**Easy** The XE104 wall-plugged Ethernet switch turns any power outlet into a 4-port home network connection. And, because there is no software to install, the XE104 is easy to set up.

**Flexible** The XE104 switch extends your network to provide connections where wireless can't reach—without the cost or hassle of running new wiring. Just plug the XE104 wall-plugged Ethernet switch directly into the wall outlet, and you're ready. The XE104 connects multiple devices to your network:

- Game Consoles
- Desktop PCs
- Notebook PCs
- Storage Central
- SlingBox™
- Internet Routers

**Performance** The XE104 works with 2 or 3 prong standard 110 volt electrical outlets and is compatible with any standard 10 or 100Mbps Ethernet drive. The switch reaches data rates up to 85Mbps with other XE104 PowerLine devices. The XE104 4-port switch is ideal for setting up a LAN party in minutes.

### System Requirements

- **For device connection:** Available RJ-45 Ethernet port
- **To enable encryption:** Windows® 98, ME, 2000 and XP

### Product Specifications

- **Network Ports:**
  - 4 10/100 Mbps Ethernet ports
  - One 85 Mbps PowerLine port
- **PowerLine Standards:**
  - HomePlug compatible
- **Power Supply:**
  - 85 -135@60Hz
- **LEDs:**
  - **Unit:** Power
  - **PowerLine:** Link
  - **Ethernet:** Link/Activity
- **Environmental Specifications:**
  - **Operating temperature:** 0 -40° C (32 -104° F)
  - **Operating relative humidity:** 10% to 90% non-condensing

- **Electromagnetic Emissions:**
  - FCC Part 15 Class B
- **Power and Safety Regulations:**
  - UL Certified
- **Typical Coverage:**
  - Up to 5000 square foot home
- **Warranty:**
  - NETGEAR 1-year warranty (see information enclosed)

### Package Contents

- One Wall Plugged Ethernet Switch (XE104)
- Ethernet cable
- Installation guide
- Resource CD
- Warranty card
- Support and information card
